

FILLIES EXAMINATION CERTIFICATE

17th March 2022
KEWB/KB

TATTERSALLS ASCOT MARCH SALE 2022

Lot No: **60**

I have checked the Thoroughbred filly SARDINIAN STAR (3yo, Thoroughbred) by Storm The Stars out of Miss Carbonia against her microchip No. **985101045321367**

I have examined the internal genital organs (manual examination per rectum and speculum inspection per vaginam) of the above filly.

These appear to be healthy and normally developed for her age.

Remarks (e.g. stitching)

None

Where there are additions or amendments to the basic wording of this Certificate, this will be indicated on the Sales database, which may be accessed via the touch-screens in the Main Sales Office.

Signed
Katherine E. Burden BVSc (Dist) MRCVS

Date 18/03/2022

N.B. This certificate must not be relied on in any way as certifying any matter other than, that at the above date the filly was examined in the manner specifically referred to, and the findings of that examination. In particular this Certificate does not constitute a warranty or representation that the filly is capable of breeding or fit for breeding purposes.
