JULY

## LOW RISK PREGNANT MARE

Lot No 123.....

## C.E.M. CERTIFICATE

This certificate must be submitted online before arrival of the Lot at Park Paddocks or at the duplicate or outside standing.

The Vendor or his/her Agent is solely responsible for the accuracy of this Certificate.

To be completed by the Vendor or his/her Agent:

This mare is NOT a High Risk mare: Signed 

To be completed by a Veterinary Surgeon and dated WITHIN 30 DAYS OF THE SALE (i.e., from June 6<sup>th</sup> onwards):

Swabs must be submitted to a Laboratory approved by the Horserace Betting Levy Board (HBLB) in the United Kingdom or to National Approved Laboratories in France, Germany, Ireland, or Italy.

On the 9th June 2021 (Date) a swab was obtained from the CLITORIS (FOSSA AND SINUSES) of the mare QUIET NOTE (GB) (Name) and submitted for bacteriological examination for C.E.M. at the NEWMARKET EQUINE HOSPITAL Laboratory and cultured under both aerobic and microaerophilic conditions or tested by PCR.

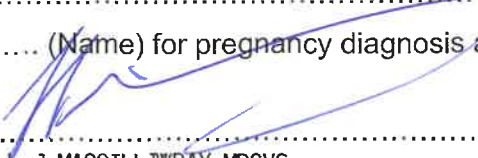

The results were negative. Neither Klebsiella pneumoniae nor Pseudomonas aeruginosa were isolated.
